A TRIBUTE to musician, producer, conductor, and humanitarian - "Q"

Join us to celebrate the life & music of Seattle-raised former trumpeter's spectacular seven-decade output of movie scores, disco anthems and jazz hits, production partnerships with stars from Ella Fitzgerald and Frank Sinatra to Ice T and Michael Jackson, and his pivotal role in the biggest-selling album ever: Jackson's game-changing dance classic, Thriller. From TV theme's including 'A Man Called Ironside', the funky 'Soul Bossa Nova' and selections from the Count Basie album 'Basie One More Time' penned by "Q" - you're in for a memorable night of music.
